Bushwhackers- When can we get our course markings? Coach- They will be ordered. Ribbon is not part of the marking package.

Mint 400- The race is on. They are trying to get on the Kurt Caselli Foundation. Marking on Sunday March 3rd. Anyone is welcome to mark in any vehicle they choose. Night Ranch Rd Pit will be the starting point for marking. The following Thursday will be contingency for volunteers. Please try to bring and wear past years vests if possible. Additional money has been asked for. Dry Lake Bed needs to be heavily marked. Emails will be sent, if anyone is interested reach out to Joe Amey.

Year end banquet: Additional venues need to be provided if they are wanted. Is December an acceptable time for year end banquet? NW CTA is incredibly cheap in regard to other venues.

Open Discussion-

Chris DiPonte – Happy that many new riders attended the first round. Can I turn in my updated roster?
